**Important information**

These figures may not reflect individual customer driving conditions, which will depend upon a number of factors including variations in weather, driving styles, vehicle load, and accessories fitted.

The selected feature is a removable accessory that will be supplied and installed by an INEOS dealer, and it's not considered in the vehicle's CO2 calculation. The price shown is the Manufacturer's Suggested Retail Price (MSRP) and does not include the cost of installation and local sale taxes. The purchase and installation of Accessories must be agreed upon directly with an INEOS dealer.

Final fuel economy figures will be confirmed following certification with the US EPA. All tests are performed in accordance with the legislation in force at the time of certification.
